RS300 Print File Requirements

PDF Files Preferred

PDF Files are our preferred format as this file is complete and self-contained. All graphics, text and fonts are part of the PDF making it simple and reliable to proof and print. Please save all files at 100-150 dpi (at final dimensions) and embed all fonts. No artwork marks, crop marks or color bars are needed, so please ensure these are not included in your files.

Other acceptable formats:

TIF, EPS, JPG or PSD at 100-150 dpi resolution (at final dimensions). Please flatten your document(s) prior to sending to avoid any font substitutions.
